

EUROPEAN UNION SUMMER 2009 INSTITUTE

Bonn ~ Paris ~ Strasbourg ~ Berlin

Depart U.S. June 1st ~ Depart Berlin July 3rd

Our 10th anniversary program marks a turning point: we will partner with the University of Bonn in Germany, enrolling our 2009 summer participants at the European Summer Academy. The four-week summer academy combines course work in Bonn with excursions to German, European and international institutions in Berlin and Brussels. Two classes, one on "European Institutions," one on "Transatlantic Issues," form central pillars of the ESA program. Additional classes, such as "Intercultural Workshop," guided tours of Bonn, Berlin and Brussels, museum visits and trips to Cologne and

Aachen give students the opportunity to explore Germany and other European countries first-hand.

The intensive 5-week program begins with a week of study in Paris and Strasbourg, France. This in order to prepare students for their month of classes in Bonn. Our visit to Paris will reflect on the French capital's historical moment during Liberation and its post-WWII reconstruction. Our visit to Strasbourg will examine the birth of European cooperation with visits to the Council of Europe and the European Court of Human Rights.
