

Spring 2007

100	World Regional Geography	Dobson
102	Principles of Human Geography	O'Lear
102	Principles of Human Geography	Myers
104	Principles of Physical Geography	Johnson
104	Principles of Physical Geography	Brunsell
105	Introductory Laboratory in Physical Geography	Staff
111	Maps and Mapping	McCleary
148	Principles of Environmental Studies	Staff
331	Regional Geomorphology of the U.S.	Sorenson
358	Principles of Geographic Information Systems	Staff
377	Urban Geography	B. Shortridge
410	Human Biogeography—Honors	Terwilliger
418	Internship in Production Cartography	McCleary
490	Geographic Internship	Staff
498	Special Topics in Geography	Staff
499	Honors in Geography	Staff
511	Intermediate Cartography:_____	McCleary
513	Cartographic Design	McCleary
516	Applied Multivariate Analysis in Geography	Slocum
517	Data Handling & Map Symbolization	Slocum
521	Microclimatology	Feddema
531	Topics in Physical: Global Environ. & Civilization	Terwilliger/Woods
535	Introduction to Soil Geography	Sorenson
557	Cities and Development	Myers
558	Geographic Information Systems	Li
576	Cultural Geography of the United States	P. Shortridge
592	Middle American Geography	Herlihy
597	Geography of Brazil	Brown
658	Topics in GIS: GIS Application Programming	Li
726	Remote Sensing II	Price
771	Topics in Cultural: Environment & Development	Brown
806	Basic Seminar	Johnson
818	Problems in Production Cartography	McCleary
890	Geographic Internship	Staff
898	Readings in Geography	Staff
899	Master's Thesis	Staff
980	Seminar in Geography: Science & Policy	Cheong
980	Seminar in Geography: RS Topics 15	Egbert
980	Seminar in Geography:_____	Dobson
998	Research in Geography	Staff
999	Doctoral Dissertation	Staff

## **Atmospheric Science**

105	Introductory Meteorology	Tucker
499	Honors Course in Atmospheric Science	Staff
506	Forecasting Models & Methods	McNulty
521	Microclimatology	Brunsell
525	Air Pollution Meteorology	Braaten
605	Operational Forecasting	Hall
606	Forecasting Practicum-Television	Tucker
607	Forecasting Intern	Tucker
630	Synoptic Meteorology	Hall
634	Physical Climatology	Hall
642	Remote Sensing of the Atmosphere	Brunsell
690	Special Problems	Braaten
697	Seminar for Seniors	Tucker
699	Undergraduate Problems	Staff
