Our Commitment

The University of Kansas is an organization with strong values of responsibility and integrity. KU is committed to an environment where open, honest communications are the expectation, not the exception. We want you to feel comfortable in approaching your supervisor or any other appropriate unit if you believe that violations of the law, policies, or standards have occurred.

In situations where you prefer to place an anonymous report, you are encouraged to use this hotline, hosted by a third party hotline provider, EthicsPoint. You are encouraged to submit reports relating to violations as well as providing positive suggestions and stories. The information you provide will be sent to us by EthicsPoint on a completely anonymous basis if you should choose.

In any event, you have our commitment that your report will be considered carefully and thoughtfully for appropriate action.

See the [EthicsPoint FAQs](#) for more information.
