

November 20, 2014

Norbert E. Belz, MHSA, RHIA
Program Director & Clinical Assistant Professor
Department of Health Information Management
KU Medical Center
3901 Rainbow Blvd., Mail Stop #2008
Kansas City, KS 66160

Dear Mr. Belz:

This letter serves as confirmation by the Commission on Accreditation for Health Informatics and Information Management Education (CAHIIM) that the baccalaureate degree program in health information management offered by KU Medical Center has completed the 2013 Annual Program Assessment Report as required by the *CAHIIM Accreditation Standards*. The APAR Report was accepted as submitted, and the health information management program as referenced above remains in good standing and has maintained continuing accreditation.

The Commission recognizes you and your colleagues for your commitment to continuous quality improvement in higher education, as demonstrated by your participation in program accreditation.

Sincerely,

A handwritten signature in black ink, appearing to read "Claire Dixon-Lee". The signature is fluid and cursive, with a long horizontal stroke at the end.

Claire Dixon-Lee, PhD, RHIA, CPH, FAHIMA
Executive Director, CAHIIM
