

National Architectural Accrediting Board, Inc.

July 27, 2010

Bernadette Gray-Little, Chancellor  
Office of the Chancellor  
University of Kansas  
230 Strong Hall  
Lawrence, KS 66045

Dear Chancellor Gray-Little:

At the July 2010 meeting of the National Architectural Accrediting Board (NAAB), the board reviewed the *Visiting Team Report (VTR)* for the University of Kansas School of Architecture, Design and Planning.

As a result, the professional architecture program:

**Master of Architecture**

was formally granted a six-year term of accreditation with the stipulation that a focused evaluation be scheduled in three years to review the following Conditions and the progress that has been made in each area:

6. Human Resources
8. Physical Resources
10. Financial Resources

The accreditation term is effective January 1, 2010. The program is scheduled for its next accreditation visit in 2016. The **focused evaluation** is scheduled for calendar year 2013. For more information on focused evaluations, please see Section 6 of the *2010 Procedures for Accreditation*.

Continuing accreditation is subject to the submission of *Annual Reports*. *Annual Reports* are submitted online through the NAAB's Annual Report Submission system and are due by November 30 of each year. These reports have two parts:

**Part I (Annual Statistical Report)** captures statistical information on the institution in which a program is located and the degree program.

**Part II (Narrative Report)** is the narrative report in which a program responds to the most recent *VTR*. The narrative must address Section 1.4 Conditions Not Met and Section 1.5 Causes of Concern of the *VTR*. Part II also includes a description of changes to the program that may be of interest to subsequent visiting teams or to the NAAB.

If an acceptable *Annual Report* is not submitted to the NAAB by January 15, 2011, the NAAB may consider advancing the schedule for the program's next visit. A complete description of the *Annual Report* process can be found in Section 10 of the *NAAB Procedures for Accreditation, 2010 Edition*.

Finally, under the terms of the *2010 Procedures for Accreditation*, programs are required to make the *Architecture Program Report*, the *VTR*, and related documents available to the public. Please see Section 3, Paragraph 8 (page 22), for additional information.
