INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF THE FINANCIAL STATEMENTS
PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDIT STANDARDS*

Board of Directors
University of Kansas
Medical Center Research Institute, Inc.
Kansas City, Kansas

We have audited the financial statements of the University of Kansas Medical Center Research Institute, Inc. (RI) as of and for the year ended June 30, 2010 and have issued our report thereon dated September 14, 2010. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered RI's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of RI's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of RI's internal control over financial reporting.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether RI's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required under *Government Auditing Standards*.

We noted certain matters that we reported to management of RI in a separate letter dated September 14, 2010.

This report is intended solely for the information and use of the governing body, management and others within the entity, federal awarding agencies and pass-through entities, and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE
TO EACH MAJOR FEDERAL PROGRAM AND ON INTERNAL CONTROL
OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

Compliance

We have audited the compliance of the University of Kansas Medical Center Research Institute, Inc. (RI) with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) Circular A-133 *Compliance Supplement* that are applicable to each of its major federal programs for the year ended June 30, 2010. RI's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs is the responsibility of RI's management. Our responsibility is to express an opinion on RI's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about RI's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on RI's compliance with those requirements.

In our opinion, the University of Kansas Medical Center Research Institute, Inc. complied, in all material respects, with the requirements referred to above that are applicable to its major federal programs for the year ended June 30, 2010. However, the results of our auditing procedures disclosed an instance of noncompliance with those requirements, which is required to be reported in accordance with OMB Circular A-133 and which is described in the accompanying schedule of findings and questioned costs as item 2010-1.

Internal Control Over Compliance

Management of the University of Kansas Medical Center Research Institute, Inc. is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered RI's internal control over compliance with the requirements that could have a direct and material effect on a major program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion

on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of RI's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

Our consideration of the internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, we identified a certain deficiency in internal control over compliance that we consider to be a significant deficiency as described in the accompanying schedule of findings and questioned costs as item 2010-1. *A significant deficiency in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

RI's responses to the findings identified in our audit are described in the accompanying schedule of findings and questioned costs. We did not audit RI's responses and, accordingly, we express no opinion on the responses.

This report is intended solely for the information and use of the governing body, management, others within the entity, federal awarding agencies and pass-through entities, and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITORS' REPORT
ON SUPPLEMENTARY INFORMATION
SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

Board of Directors
University of Kansas
Medical Center Research Institute, Inc.
Kansas City, Kansas

Schedule of Expenditures of Federal Awards

We have audited the basic financial statements of the University of Kansas Medical Center Research Institute, Inc. (Organization) as of and for the year ended June 30, 2010, and have issued our report thereon dated September 14, 2010.

Our audit was performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by OMB Circular A-133 and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects, in relation to the basic financial statements taken as a whole.

This report is intended solely for the information and use of the governing body, management, others within the entity, federal awarding agencies and pass-through entities and is not intended to be, and should not be, used by anyone other than these specified parties.

SCHEDULE OF FINDINGS AND QUESTIONED COSTS

Year Ended June 30, 2010

Summary of Auditors' Results

1. The opinion expressed in the independent auditors' report was:

Unqualified Qualified Adverse Disclaimed

2. The independent auditors' report on internal control over financial reporting described:

Significant deficiency(ies) noted considered material weakness(es)? Yes No

Significant deficiency(ies) noted that are not considered to be a material weakness? Yes No

3. Noncompliance considered material to the financial statements was disclosed by the audit. Yes No

4. The independent auditors' report on internal control over compliance with requirement applicable to major federal awards programs described:

Significant deficiency(ies) noted considered material weakness(es)? Yes No

Significant deficiency(ies) noted that are not considered to be a material weakness. Yes No

5. The opinion(s) expressed in the independent auditors' report on compliance with requirements applicable to major federal awards was (were):

Unqualified Qualified Adverse Disclaimed

6. The audit disclosed findings required to be reported by OMB Circular A-133 Yes No

7. The Organization's major program was:

Custer/Program	CFDA Number
Research and Development Cluster Head Start Cluster	N/A 93.600, 93.708, 93.709

8. The threshold used to distinguish between Type A and Type B programs as those terms are defined in OMB Circular A-133 was \$2,126,332.

9. The Organization qualified as a low-risk auditee as that term is defined in OMB Circular A-133? Yes No

SCHEDULE OF FINDINGS AND QUESTIONED COSTS

Year Ended June 30, 2010

FEDERAL AWARD FINDINGS AND QUESTIONED COSTS

Finding 2010-1 (Significant Deficiency):

Research & Development Cluster – ARRA programs: various CFDA numbers, federal agencies and pass-through entities

Condition: RI does not have procedures in place to identify to each subrecipient the Federal award number, CFDA number, and the amount of American Recovery and Reinvestment Act (ARRA) funds at the time of disbursement of funds.

Criteria: The Special Tests and Provisions section of the OMB Circular A-133 Compliance Supplement requires programs with expenditures of ARRA funds to separately identify to each subrecipient, and document at the time of the award and disbursement of funds, the Federal award number, CFDA number, and the amount of ARRA funds.

Questioned Costs: None.

Context: RI includes information related to the Federal award number, CFDA number, the amount of ARRA funds and a copy of the Standard Terms and Conditions for ARRA awards at the time of issuing a subaward. Payments to subrecipients of ARRA funds were approximately \$117,000 for the year ended June 30, 2010.

Cause: RI assumed that subrecipients shall take responsibility for tracking funds received under subawards issued under ARRA as specified in the subaward agreement.

Effect: This could result in a possible decrease or loss of ARRA funding.

Recommendation: We recommend RI develop procedures and controls to ensure ARRA disbursements to subrecipients include the required disclosures.

Response and corrective action plan (unaudited): As noted above, RI includes information related to the Federal award number, CFDA number, and amount of ARRA funds in each subaward agreement. We have now added steps to our subaward process that require subrecipients to include the following information in their monthly/quarterly invoice to RI: 1) Federal award number, 2) CFDA number, and 3) the amount of ARRA funds. Invoices received without the required info will be returned for correction. Additionally, RI assigns a unique number to each ARRA grant award, which is also used to identify subawards. When invoices are received for reimbursement, they will include this unique identifying number. Since the invoice number is referenced on the check paid to the subrecipient, the subrecipient should be able to determine that funds pertain to an ARRA program.
