INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF THE FINANCIAL STATEMENTS
PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Board of Directors
University of Kansas
Medical Center Research Institute, Inc.
Kansas City, Kansas

We have audited the financial statements of the University of Kansas Medical Center Research Institute, Inc. (RI) as of and for the year ended June 30, 2012 and have issued our report thereon dated September 28, 2012. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

Management of RI is responsible for establishing and maintaining effective internal control over financial reporting. In planning and performing our audit, we considered RI's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of RI's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of RI's internal control over financial reporting.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined previously.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether RI's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required under *Government Auditing Standards*.

This report is intended solely for the information and use of the governing body, management and others within the entity, federal awarding agencies and pass-through entities, and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE WITH REQUIREMENTS THAT COULD
HAVE A DIRECT AND MATERIAL EFFECT ON EACH MAJOR PROGRAM AND ON INTERNAL
CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

Compliance

We have audited the University of Kansas Medical Center Research Institute, Inc.'s (RI) compliance with the types of compliance requirements described in the *OMB Circular A-133 Compliance Supplement* that could have a direct and material effect on each of RI's major federal programs for the year ended June 30, 2012. RI's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts, and grants applicable to each of its major federal programs is the responsibility of RI's management. Our responsibility is to express an opinion on RI's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about RI's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of RI's compliance with those requirements.

In our opinion, RI complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2012.

Internal Control Over Compliance

Management of RI is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing our audit, we considered RI's internal control over compliance with the requirements that could have a direct and material effect on a major federal program to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of RI's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

Our consideration of the internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

This report is intended solely for the information and use of the governing body, management, others within the entity, federal awarding agencies and pass-through entities, and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITORS' REPORT
ON SUPPLEMENTARY INFORMATION -
SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

Board of Directors
University of Kansas
Medical Center Research Institute, Inc.
Kansas City, Kansas

We have audited the financial statements of the University of Kansas Medical Center Research Institute, Inc., (RI) as of and for the year ended June 30, 2012, and have issued our report thereon dated September 28, 2012, which contained an unqualified opinion on those financial statements. Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. We have not performed any procedures with respect to the audited financial statements subsequent to September 28, 2012. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by OMB Circular A-133 and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated, in all material respects, in relation to the financial statements as a whole.

This report is intended solely for the information and use of the governing body, management, others within the entity, federal awarding agencies and pass-through entities and is not intended to be, and should not be, used by anyone other than these specified parties.

SCHEDULE OF FINDINGS AND QUESTIONED COSTS

Year Ended June 30, 2012

Summary of Auditors' Results

1. The opinion expressed in the independent auditors' report was:

Unqualified Qualified Adverse Disclaimed

2. The independent auditors' report on internal control over financial reporting described:

Significant deficiency(ies) noted considered material weakness(es)? Yes No

Significant deficiency(ies) noted that are not considered to be a material weakness? Yes No

3. Noncompliance considered material to the financial statements was disclosed by the audit. Yes No

4. The independent auditors' report on internal control over compliance with requirement applicable to major federal awards programs described:

Significant deficiency(ies) noted considered material weakness(es)? Yes No

Significant deficiency(ies) noted that are not considered to be a material weakness. Yes No

5. The opinion(s) expressed in the independent auditors' report on compliance with requirements applicable to major federal awards was (were):

Unqualified Qualified Adverse Disclaimed

6. The audit disclosed findings required to be reported in accordance with section 510(a) of OMB Circular A-133. Yes No

7. The Organization's major program was:

| Cluster/Program | CFDA Number |
|---|---------------|
| Research and Development Cluster Centers for Excellence Health Resources | N/A 93.157 |

8. The threshold used to distinguish between Type A and Type B programs as those terms are defined in OMB Circular A-133 was \$2,334,760.

9. The Organization qualified as a low-risk auditee as that term is defined in OMB Circular A-133? Yes No
