

Are You Traveling?

To re-enter the U.S. you will need:

1. valid passport
2. valid visa¹
3. valid I-20 or DS-2019 with a recent travel signature²
4. proof of finances (this is required by law; although it is rarely requested)

We recommend that you also take proof of full time enrollment by means of one of the following forms:

1. official transcript (from Registrar's office 121 Strong, \$8.00), **OR**
2. certificate of enrollment³, **OR**
3. ARTS form

In addition, it is recommended that you take:

1. a travel letter, only if your info was in the file that got hacked; and
2. a copy of your upcoming class schedule, if possible; and
3. all of your old I-20s or DS-2019s/IAP-66s.

¹**VISAS** If you do not have a valid visa, you will need to apply for one while outside the U.S. Please take careful consideration before deciding to travel if you will need a new visa. All visa applications require a security check that could delay the application. If you decide to travel, we suggest applying for a visa as soon as possible after arriving at your destination. For the most current procedures for non-immigrant visa applications, review the website for the appropriate consular office. Most are listed at:

http://travel.state.gov/travel/tips/embassies/embassies_1214.html

Exception: If you are traveling to Canada, Mexico or an adjacent island for 30 days or less, you *may* be able to re-enter the U.S. with an expired visa. See handout titled "Automatic Revalidation of Visa", available in ISSS.

²**TRAVEL SIGNATURES** When requesting a travel signature for a KU I-20 or DS-2019, you will probably be asked to leave your KU I-20 or DS-2019 overnight. If KU is not your J-1 program sponsor (listed in #2 of DS-2019), you will need to mail it to your sponsor (e.g. IIE, Fulbright, LASPAU, ACTR) to get a travel signature.

³**CERTIFICATES OF ENROLLMENT** may be requested from the registrar's office. Be sure to request verification of full-time enrollment for every semester you've been enrolled. It is also possible to request proof of full-time pre-registration for next semester, if you have pre-registered.

Expect longer lines and slower processes because documents will probably be reviewed more closely at Embassies, Consulates, airports and U.S. ports of entry. Do not be alarmed if you are pulled aside at the port of entry for further questioning. It is routine procedure for all students; however, it may take several hours. Please take this into consideration when arranging connecting flights.
