

Compact Tuition and Maintenance Costs 2007-2008

for International Students at The University of Kansas

07-08 FRESHMEN in LIBERAL ARTS & SCIENCES

Undergraduates are required by federal law to complete at least 12 hours each fall and spring semester.

Calculations are based on 15 hours (an average semester).

Some specialized fields have additional course fees:

Architecture, Business, Education, Engineering, Fine Arts and Journalism

These amounts do NOT include expenses for transportation or dependents. For each dependent, add: \$3,480.00

All costs are estimates; rounded to the nearest dollar; and are subject to change. Tuition will be guaranteed through spring 2011; however, expect approximately a 5% increase each year for other expenses.
