

Requesting a Permanent Travel Letter

A letter from the University, when used in conjunction with other official ID documents, will help verify that you are/were a KU student whose record was involved in the hacking incident. You need not present the letter unless border officials seem to be taking more time than usual to verify your identity. If you would like to carry such a letter with you, please complete the items below and return to ISSS OR insert them into an email to isss@ku.edu. **Please allow 1 week** processing time if possible! Allow an additional week if you need the letter sent to you outside the U.S.

- Family Name: Mailing address—if you wish for the letter
- Given Name: to be mailed:
- KUID #:
- Country of citizenship:
- Date of Birth:
- Current contact email:
- Current contact telephone:
