

NEW COURSE FOR FALL 2009
Prof. Renee Perelmutter
JWSH 300 Topics in Jewish Studies: Jewish Film
Wescoe 4012 Class #45562
Mondays 4PM-7PM

EXPERIENCE THE LAST HUNDRED YEARS OF JEWISH CULTURE
THROUGH THE CINEMATIC LENS!

In this class, we will watch Jewish movies in English, Yiddish, Hebrew and Russian (with subtitles). We will explore the historical and cultural processes such as break-up of the shtetl life, Zionism, anti-Semitism, emigration, and the friction between religious and secular ways of life, and learn to apply our understanding of these processes to film analysis.
