Phone: (913) 491-9314

DATE OF BIRTH: May 24, 1950

PLACE OF BIRTH: Hammond, Indiana

EDUCATION

Post-Doctoral Fellowship in Research with Children with Disabilities from Diverse Cultural Backgrounds-1984
Juniper Gardens Children's Project, University of Kansas

Ph.D. - Special Education - 1983
Major: Special Education/Early Childhood
Minor: Research in Human Development
University of Kansas; Lawrence, Kansas

M.S. - Human Development - 1974
Major: Child Psychology
Minor: Language Development & Disorders
Purdue University; West Lafayette, Indiana

B. A. - Psychology
Bradley University; Peoria, Illinois - 1972

CURRENT POSITION TITLES

Senior Scientist, Schiefelbusch Institute for Life-Span Studies, University of Kansas,
Lawrence, KS
Professor, (with tenure) Department of Special Education, University of Kansas,
Lawrence, Kansas

RESEARCH INTERESTS

Early intervention for children growing up in poverty; progress monitoring of infants and young children; improving outcomes for children and families affected by multiple environmental risks; observational approaches for measuring caregiving environments and interactions; family-centered comprehensive intervention and prevention efforts for children at-risk; classroom interventions that support young children's early literacy and social development, hierarchical approaches to intervention for young children and their families (Response to Intervention)

PROFESSIONAL EXPERIENCE:

1972-1974	Graduate Research Assistant, Department of Human Development, Purdue University, West Lafayette, Indiana
1974-1976	Research Assistant, Department of Special Education and Center on Human Development, University of Oregon, Eugene, Oregon
1977	Instructor, Department of Education, Alma College, Alma, Michigan
1977-1978	Research Assistant, Field Service Unit in Physical Education and Recreation for the Handicapped, Michigan State University, East Lansing, Michigan
1978-1981	Doctoral Research Fellow, Department of Special Education and Bureau of Child Research, University of Kansas, Lawrence, Kansas
1981-1983	Director, High-Risk Preschool, University of Kansas Medical Center Kansas City, Kansas
1982-1984	Instructor, Child Development, Johnson County Community College, Overland Park, Kansas
1983-1984	Post-Doctoral Fellow, Juniper Gardens Children's Project, Bureau of Child Research, University of Kansas
1984-1991	Research Associate, Bureau of Child Research and Department of Special Education, University of Kansas, Lawrence, Kansas
1991-1996	Associate Scientist, Schiefelbusch Institute for Life-Span Studies
1991-2000	Director, Early Childhood Research Institute on Substance Abuse
1996-present	Senior Scientist, Schiefelbusch Institute for Life-Span Studies
2003-present	Professor-Department of Special Education, University of Kansas
2008-present	Co-Director, Center for Response to Intervention in Early Childhood

CERTIFICATION: Early Childhood/Special Education, 1981, State of Kansas

MEMBERSHIP IN PROFESSIONAL SOCIETIES:

Council for Exceptional Children
Division of Early Childhood

Society for Research in Child Development

International Society for the Prevention of Child Abuse and Neglect

National Association for the Education of Young Children

SELECTED HONORS

- 1996 Co-Recipient of the Annual Research Award, Council for Exceptional Children, Juniper Gardens Children's Project
- 2003-2004 Carol Hansen Visiting Scholar, Iowa State University
- 2003-2004 Visiting Scholar Bowie State University
- 2007 Kansas Division of Early Childhood, Award of Excellence
- 2007 Division of Early Childhood, Council for Exceptional Children, Mary McEvoy Service to the Field Award
- 2009-2011 Conference Chair and Manager for the Conference on Research Innovation in Early Intervention
- 2010-2014 Member of Federal Advisory Panel on Head Start Research and Evaluation (appointed by Kathleen Sebelius, Secretary of Department of Health and Human Services)
- 2011-2012 Member of the Planning Board for the HeadStart Research Conference

PRESENTATIONS

A. Papers Presented at International, National, State, Regional, Local Conferences and Meetings

1. Peer Reviewed

- Carta, J. (1976, April). *A comparison of language of delayed and non- delayed preschoolers in free play and structured situations*. Paper presented at the Council for Exceptional Children Convention, Chicago, IL.
- Carta, J. (1976, October). *Integration of delayed and non-delayed preschoolers: Effects on social play and language behavior*. Paper presented at the Oregon Conference, Eugene, OR.
- Carta, J. (1978, January). *Planning the IEP in physical education and recreation*. Paper presented at the Council for Exceptional Children's Topical Conference on Individualized Education Program Planning, Albuquerque, NM.
- Carta, J. J. (1978, November). *Mediated inservice training programs for servicing teacher consultants of severely handicapped*. Annual Conference of the Association for the Severely Handicapped, Baltimore, MD.
- Carta, J. J. (1979, April). *Implementing I CAN physical education services to the severely handicapped: A system for teachers and teacher consultants*. Annual Conference of the Council on Exceptional Children, Dallas, TX.
- Carta, J. J. (1980, April). *Assessing the play skills of preschool handicapped children*. Annual Conference of the Council on Exceptional Children, Philadelphia, PA.

- Carta, J. J. (1982, October). *Crossing professional barriers in an early intervention setting*. National P.L. 89-313 Providers' Conference, Kansas City, MO.
- Carta, J. J. (1983, April). *An investigation of the object play skills of handicapped and nonhandicapped children*. Annual Conference of the Council on Exceptional Children, Detroit, MI.
- Carta, J. J. (Chair). (1984, May). *Issues related to the ecobehavioral analysis of school problems*. Symposium presented at the 10th Annual Conference of the Association for Behavior Analysis, Nashville, TN.
- Carta, J. J. (1985, May). Using an ecobehavioral approach in evaluating early intervention settings. In J. J. Carta (Chair), *Methodological advances in the behavior assessment of young handicapped children and their instructional settings*. Symposium presented at the 11th Annual Conference of the Association for Applied Behavior Analysis, Columbus, Ohio.
- Carta, J. J. (1986, May). Using ecobehavioral data to evaluate educational programs for handicapped preschoolers. In C. R. Greenwood (Chair), *Applied uses of ecobehavioral data*. Symposium presented at the 12th Annual Conference of the Association for Applied Behavior Analysis, Milwaukee, WI.
- Carta, J. J. (1986, October). Process-product analysis. In S. L. Odom (Chair), *Research methodologies in early childhood special education*. Panel discussion presented at the National Early Childhood Conference on Children With Special Needs, Louisville, KY.
- Carta, J. J. (1987, May). *The use of portable computers in observational research in preschools and elementary classroom settings: Some experiences and perspectives*. Panel discussion presented at the 13th Annual Conference of the Association for Applied Behavior Analysis, Nashville, TN.
- Carta, J. J. (1988, May). Identification of potentially effective instructional procedures. In J. J. Carta (Chair), *Selection and validation of classroom interventions using ecobehavioral analysis*. Symposium presented at the 14th Annual Convention of the Association for Behavior Analysis, Philadelphia, PA.
- Greenwood, C. R., Delquadri, J., & Carta, J. J. (1988, May). The effects of classwide peer tutoring gains in standardized achievement: A longitudinal, experimental-control group design. In R. P. West (Chair), *Peer tutoring systems and academic performance*. Symposium presented at the 14th Annual Convention of the Association for Behavior Analysis, Philadelphia, PA.
- Carta, J. J. (Chair). (1988, November). *Getting a closer look at early intervention classrooms through ecobehavioral assessment*. Panel presented at the International Early Childhood Conference on Children with Special Needs, Nashville, TN.
- Carta, J. J. (Chair). (1989, April). *Special education students in regular education classrooms: Classwide peer tutoring/adaptive learning environments*. Panel presented at the Annual Convention of the Council for Exceptional Children, San Francisco, CA.

- Carta, J. J., Schwartz, I., Atwater, J. B., Trissel, D., Rinkel, P., & Connell, M. (1989, October). *Getting ready for kindergarten: Assessment and intervention strategies for promoting in regular classroom settings*. Panel presented at the Fifth International Early Childhood Conference on Children with Special Needs, Minneapolis, MN.
- Arreaga-Mayer, C., & Carta, J. J. (1990, October). *Selection and validation of classroom interventions with culturally diverse exceptional children using ecobehavioral analysis*. Paper presented at the CEC Symposium on Culturally Diverse Exceptional Children, Albuquerque, NM.
- Carta, J. J. (1990, April). First signs of a developing methodology of risk assessment in education-- Discussant comments. Panel entitled "*Observations along the road to referral: Failure of process or product*" presented at the Annual Meeting of the American Educational Research Association, Boston, MA.
- Atwater, J. B., Carta, J. J., & Schwartz, I. S. (1990, May). *Ecobehavioral assessment of children's survival skills in preschool and primary grade classrooms*. Paper presented at the 16th Annual Convention of the Association for Behavior Analysis, Nashville, TN.
- Carta, J. J. (1990, May). *Applications of ecobehavioral analysis in settings for young children*. Panel presented at the 16th Annual Convention of the Association for Behavior Analysis, Nashville, TN.
- Schwartz, I. S., Atwater, J. B., & Carta, J. J. (1990, May). *An ecobehavioral system to assess classroom survival skills*. Paper presented at the 16th Annual Convention of the Association for Behavior Analysis, Nashville, TN.
