

Dine to donate at Applebee's on Iowa

Applebee's and KSPA have formed a partnership for May 2 and 3, the weekend of state activities. The Applebee's at 2520 South Iowa St. will donate 10 percent of your bill to the KSPA/Jackie Engel Endowment.

Each table will need to present a flyer to obtain the 10 percent discount. Flyers will be sent to schools with the acknowledgment letter.

The KSPA/Jackie Engel Endowment has been established to ultimately provide both student and teacher scholarships.

Staffs may eat at Applebee's for dinner on Friday evening or lunch on Saturday. Help KSPA increase its endowment by participating in the Applebee's-KSPA Dining to Donate plan.

A special thanks in advance to those of you who participate and also a special thanks to the kind folks at Applebee's for setting up the Dining to Donate program.
