- 🔔 Look around your vehicle when walking toward it. If you see anyone in the area of your vehicle that makes you uncomfortable, do not go to it, turn around. Also make sure to lock your vehicle doors. This will help protect your valuables.
- 🔔 Have the keys to your vehicle or residence in your hand before getting to the door. This reduces the time you are standing at a locked door searching for your keys.
- 🔔 Be alert and keep looking around while using ATMs and pay phones.
- 🔔 Carry your purse or backpack close to your body and have a tight grip. If you are robbed, give them what they want and walk away.
- 🔔 If someone makes you feel uncomfortable or the situation does not seem right, trust your instincts and leave.
- 🔔 When at a bar or a party do not take an opened or poured beverage from a stranger, and do not drink from a beverage that has been left unattended.
