### **ACADEMIC APPOINTMENTS**

- 2007 – Current    **University of Kansas**  
Assistant Professor  
Department of Psychology and Center for Gerontology
- 2004 – 2007    **Washington University School of Medicine**  
Faculty Research Instructor  
Alzheimer's Disease Research Center  
Department of Neurology
- 2001            **University of Missouri – St Louis**  
Instructor  
Gerontology Program in Psychology
- 2000            **Washington University in St. Louis**  
Teaching Assistant  
Department of Psychology

### **EDUCATION**

- 2003 – 2004    **Washington University School of Medicine**  
Postdoctoral Research Fellow  
Alzheimer's Disease Research Center  
Department of Neurology

- 1996 – 2003 **Washington University in St. Louis**  
Doctoral PhD in Clinical Psychology, emphases in Aging and Neuropsychology  
Advisor: Martha Storandt, PhD  
Dissertation: *Negative Affect and Bias in Aging*
- Masters of Arts, Clinical Psychology (Awarded 5/99)  
Advisor: Martha Storandt, PhD  
Master's Thesis: *A Discourse Analysis of Logical Memory Recall in Normal Aging and in Dementia of the Alzheimer Type*
- 2002 – 2003 **St. Louis VA Medical Center**  
Psychology Intern: Advanced clinical training as partial fulfillment of the doctoral degree. Rotations included Geropsychology, Neuropsychology, Post Traumatic Stress Disorder Clinic, Medical Psychology, and Program Evaluation.
- 1992 - 1996 **Columbia University**  
Postbaccalaureate Premedicine Program
- 1986 – 1990 **Washington College**  
B.A. in International Studies, concentration in Latin America  
Advisor: Daniel Premo, Ph.D.  
Honors Thesis: *Legislative Oversight of Covert Action: A Democratic and Practical Necessity*

### **PUBLISHED MANUSCRIPTS**

Johnson, D. K., Storandt, M., & Balota, D. (2003). A discourse analysis of Logical Memory recall in normal aging and in dementia of the Alzheimer type. *Neuropsychology, 17*, 82-92.

Johnson, D. K., Morris, J. C., & Galvin, J. (2005). Verbal and visuospatial deficits in Lewy body dementia. *Neurology, 65*, 1232-1238.

Burns, J. M., Church, J., Johnson, D. K., Xiong, C. Marcus, D., Fotenos, A., Snyder, A., Morris, J. C., & Buckner, R. L. (2005). White matter lesions are equally present but differentially relate to cognition in aging and early Alzheimer disease. *Archives of Neurology, 62*, 1870-1876.

Johnson, D. K., Wilkins, C., & Morris, J. C. (2006). Accelerated weight loss in Alzheimer's disease precedes diagnosis. *Archives of Neurology, 63*, 1312-1317.

Galvin, J. E., Malcom, H., Johnson, D. K., & Morris, J. C. (2007). Personality traits distinguishing dementia with Lewy bodies from Alzheimer disease. *Neurology, 68*, 1895-1901.

### **IN PRESS MANUSCRIPTS**

Johnson, D. K., Storandt, M. S., Morris, J. C., Langford, Z. D., & Galvin, J. (2008). Cognitive Profiles in Dementia: Alzheimer Disease Versus Nondemented Aging. *Neurology*.

### **SUBMITTED MANUSCRIPTS**

Johnson, D. K., Storandt, M. S., Morris, J. C., Langford, Z. D., & Galvin, J. (2008). Longitudinal Cognitive Profiles in Dementia: Alzheimer Disease Versus Nondemented Aging. *Annals of Neurology*.

Carpenter, B., Kissel, E., Lee, M., Brown, P., Xiong, C., Johnson, D. K., & Morris, J.C. (2006). Diagnosis disclosure in Alzheimer's disease. *Psychology and Aging*.

### **MANUSCRIPTS IN PREPARATION**

Johnson, D. K., Morris, J. C., & Galvin, J. Longitudinal cognitive deficits in Alzheimer's, Parkinson's, and Lewy body diseases.

Johnson, D. K. Reporting biases, personality, and negative affect.

Johnson, D. K. Affective dimensions in healthy aging.

Johnson, D. K., & Storandt, M. Prose comprehension and recall in healthy aging and Alzheimer's disease.

Johnson, D. K., & Lustig, C. White matter integrity and prose recall in Alzheimer's disease.

### **INVITED SPEAKER PRESENTATIONS**

Frank, J., & Johnson, D.K. (July 2008). Invited Speaker: Spouse and Adult Child Differences in Grief while AD Caregiving. International Conference on Alzheimer's Disease. Chicago, IL

Johnson, D.K. & Wolfe, M. (March 2008) Invited Speaker: A Discourse Analysis of Prose Recall Data in Normal Aging and Dementia of the Alzheimer Type. Cognitive Aging Conference. Atlanta, GA.

Johnson, D.K. (February 2005). Invited Symposium Chair: Early Detection of Preclinical and Early Stage Alzheimer's Disease. International Neuropsychological Society. St Louis, MO.

### **CONFERENCE PRESENTATIONS**

Johnson, D. K., & Galvin, J. (July, 2006). Factor structure of cognitive abilities in Parkinson's and Alzheimer's disease. International Conference on Alzheimer's Disease. Madrid, Spain.

Johnson, D. K., Wilkins, C. & Morris, J. C. (April, 2006). Accelerated weight loss may precede diagnosis in Alzheimer disease. American Academy of Neurology Annual Meeting, San Diego, CA.

Johnson, D. K., & Galvin, J. (February, 2004). Differential cognitive deficits in Parkinson's and Alzheimer's disease. International Neuropsychological Society Conference, St. Louis, MO.

Johnson, D. K. (November, 2004). Biases and negative affect in healthy older adults. Gerontological Society of America Annual Convention, Washington DC.

Johnson, D. K., & Galvin, J. (July, 2004). Verbal and visuospatial deficits in Lewy body dementia. Alzheimer Disease & Related Disorders Conference, Philadelphia, PA.

Johnson, D. K., & Burns, J. (July, 2004). White matter lesions and dementia. Alzheimer Disease & Related Disorders Conference, Philadelphia, PA.

Buckles, V., Palmer, J., Hostos, T., Johnson, D. K., & Morris, J. (July, 2004). Consent to participate in Alzheimer's research. Alzheimer Disease and Related Disorders Conference, Philadelphia, PA.

Johnson, D. K., Storandt, M., & Balota, D. (August, 2000). A discourse analysis of the Logical Memory subtest of the Wechsler Memory Scale. American Psychological Association Annual Convention, Washington, DC.

### **TEACHING EXPERIENCE**

- 2007 - present **University of Kansas (Lawrence)** Assistant Professor:  
*Mental Health and Aging: An Introduction to Gerontology and Psychology*  
*Neuropsychology Across the Lifespan*  
*Behavioral Pharmacology*
- 2001 **University of Missouri at St. Louis** Instructor:  
*Mental Health and Aging: An Introduction to Gerontology and Psychology*
- 2000 **Washington University in St. Louis** Teaching Assistant:  
*Introduction to Psychology*  
*Psychology of Personality*
- 1999 **Washington University in St. Louis** Guest Lecturer:  
*Intro to Psychotherapy*  
*Psychology and Aging*  
*Clinical Aging*

### **LICENSURE AND CLINICAL EXPERIENCE**

- 2005 – Present **State of Missouri Division of Professional Registration**  
 Licensed Health Service Provider  
 Missouri License Number: 2004025079
- 2003 – 2004 **Washington University School of Medicine**  
 Postdoctoral Research Fellow in Neurology (2400 clinical hours)  
 Neuropsychological testing and individual follow-up; Group psychotherapy leader for patients with Alzheimer’s disease and caregivers
- 2002 – 2003 **St. Louis VA Medical Center**  
 Psychology Intern (2000 clinical hours)  
 Rotations included Geropsychology, Neuropsychology, Post Traumatic Stress Disorder Clinic, Medical Psychology, and Program Evaluation
- 1996 – 2003 **Washington University Psychological Service Center**  
 Clinical Assistant (1800 clinical hours)  
 Performed individual and group therapy; administered neuropsychological assessment batteries
- 1999 – 2000 **St. Louis VA Medical Center**  
 Clinical Assistant (600 clinical hours)  
 Rotations included neuropsychological assessment services for in- and out-patient populations and geropsychological evaluation and clinical treatment of older adult veterans
- 1999-2002 **St. Louis Alzheimer Association**  
 Project Esteem Group Leader (volunteer clinical experience)  
 Group psychotherapy leader for patients with Alzheimer’s disease and caregivers
- 1998-1999 **St. Louis Psychiatric Rehabilitation Center, Social Rehabilitation Program**  
 Clinical Assistant (600 clinical hours)  
 Individual and group therapies for clients living with chronic mental illness. Rotations included transitional rehabilitation, social responsibility and social learning programs, attention deficit disorder psychoeducational groups, communications skills, Dialectical Behavior Therapy, medication compliance, mindfulness/relaxation, and responsibility therapy

1992 - 1996 **Columbia University School of Medicine, Alzheimer Disease Research Center**  
Research Assistant (volunteer clinical experience)  
Neuropsychological testing of Parkinson's and Alzheimer's disease patients

### **HONORS**

2004 National Institute of Aging, Summer Research Institute Graduate  
2002 Merit Award, The Roma Schaefer Nooter Graduate Student Scholarship  
2000 Pass with distinction: Subject Matter Orals  
1999 Merit Award, The Richard and Mildred Poletsky Education Fund, *Psycholinguistic analysis of Logical Memory subtest of the Wechsler Memory Scale*  
1996-2003 National Institute of Aging Training Grant Fellow, Washington University in St. Louis, Department of Psychology

### **EDITORIAL AND GRANT REVIEW RESPONSIBILITIES**

2003 – Present Invited academic journal reviewer: *Psychology and Aging; Brain & Language; Neuropsychology; Alzheimer's Disease and Associated Disorders; Aging, Neuropsychology, and Cognition; and Journal of the International Neuropsychological Society.*  
2003 Invited grant application reviewer: Washington University Alzheimer's Disease Research Center Pilot Project Awards.

### **PROFESSIONAL SOCIETIES AND ORGANIZATIONS**

Alzheimer's Association  
American Psychological Association  
    Division 12, & 12-II  
    Division 20  
    Division 40  
Gerontological Society of America  
International Neuropsychological Society  
National Academy of Neuropsychology
