Kansas Roads Scholar Program

A Training and Recognition Program for Counties and Cities promoting a skilled workforce for Kansas public works agencies

Level I: Roads Scholar: Technical Skills Program

To enhance the knowledge of general public works maintenance and construction methods, safety practices, and local government organization as it applies to the direct delivery of quality public service.

Level II: Advanced Roads Scholar: Supervisory Skills Program

To develop supervisory skills for persons engaged in public works maintenance and construction activities.

Level III: Master Roads Scholar: Executive Development Program

To enhance management and administrative skills for those who are appointed or aspire to be appointed as a county highway administrator, county or city engineer, or public works director.

For more information visit: <http://www.ksroadscholar.org>

Workshop Key

- ▲L1= KS Roads Scholar Program Level 1 — Technical skills required course.
- ▲L2 = KS Roads Scholar Program Level 2 — Supervisory skills required course.
- ▲L3-r = KS Roads Scholar Program Level 3 — Master Roads Scholar required course.
- ▲L3-e = KS Roads Scholar Program Level 3 — Master Roads Scholar elective course.

For information on the Kansas Roads Scholar Program contact Kristin Kelly, kbkelly@ku.edu.
Questions on Level II courses contact Dorrie Sullivan. Email: sullivan@kansascities.org
Phone: (785) 272-2585.
