Registration Deadline is April 10, 2012

This training is presented through the Local Technical Assistance Program (LTAP) and the KU Transportation Center. Funding provided by the Kansas Department of Transportation, the Federal Highway Administration and the University of Kansas.

About the Workshop: County, city, state, and township motor grader operators and others who maintain non-paved roads are invited to attend. This training has been designed especially for individuals who operate motor graders. The morning session will be held in a classroom, the afternoon session will include an equipment demonstration at an outdoor site. Host counties will provide a motor grader, an operator, and a gravel road for the demonstration. Enrollment in each class is **limited to 30 individuals**, and group interaction will be facilitated. Materials, refreshments, and lunch will be provided.

Dates and Locations: Once you have registered, you will be sent a confirmation approximately 2 weeks prior to the date of the workshop.
