

Kansas Road Scholar Status Report

Updated December 11, 2014

Level I Technical Skills Program Monitored by KS LTAP

As of October 22, 2014 a total of 291 individuals have earned a certificate for completion of the Kansas Road Scholar - Level I Technical Skills Program. A group of 100 individuals continue to pursue the Level I certificate. Of those 80 individuals are "active" (taken classes within the last two (2) years). Each "Road Scholar" attended ten different training sessions for a total of at least 50 hours of instruction. Instruction was provided by the Kansas Association of Counties, Kansas LTAP, and the TASK Program through Kansas State University. This training effort has created strong partnerships among KAC, KCHA, KS LTAP, and KDOT.
