

**Section G 2. Four-Year Tuition Compact
Additional Information
2008-2009
University of Kansas**

Beginning in Fall 2007, entering first-time freshmen enroll under the four-year tuition compact. The compact will fix tuition rates for four years and set course fees and required campus fees in a four-year schedule. These set rates enable the entering freshmen class and their families to accurately estimate the key costs of a four-year degree at the University of Kansas.
