

**Section G 2. Four-Year Tuition Compact
Additional Information
2010-2011
University of Kansas**

Beginning in Fall 2007, entering first-time freshmen enroll under the four-year tuition compact. The compact will fix tuition rates for four years and set course fees and required campus fees in a four-year schedule. These set rates enable the entering freshmen class and their families to accurately estimate the key costs of a four-year degree at the University of Kansas. * Course Fees are charged by specific schools in addition to the Compact or Standard tuition. The actual amount of the Course Fee charged depends on the school/courses in which the student enrolls. With student support, Course Fees could be increased beyond the annual increase.				

** Required Campus Fees are determined in collaboration with Student Senate. A new methodology has been developed that will align the approval process with the Four-Year Tuition Compact.
