

Undergraduate Academic Support Programs of the University of Kansas

Name of Program	Sponsoring Unit	Contact Person	Group Served	Nature of Support	Approx. No. of Students Served
Academic Resources and Support	School of Social Welfare	Robert Estell Phone: 864-8594 e-mail: restell@ku.edu	BSW students	Together with program director and faculty advisors, this office develops individualized programs tailored to the students' needs.	10
Academic Success Workshops	Student Development Center	Mary Ann Rasnak	All interested students, undergraduate and graduate.	Twelve workshops offered throught the Fall and Spring semesters on topics such as time management, how to study, preparing for exams, and managing academic anxiety.	100 students per semester
Advising Center	School of Journalism	Lynne Tidwell Phone: 864-7621 e-mail: ltidwell@ku.edu	All students admitted to School of Journalism and pre-journalism students	Provide information on requirements, summer orientation sessions, advise pre-journalism students on requirements, administer waiting list system, advise students with deficiencies, inform faculty advisers of changes, evaluation of transfer credits and conducting graduation checks.	771 admitted students and approx. same number of pre-journalism students, 390 students advised during 13 summer orientation sessions.
Advising Program	Chemical and Petroleum Engineering	Professor Bala Subramaniam Phone: 785-864-2903 e-mail: bsubramaniam@ku.edu	Undergraduate students in Chemical and Petroleum Engineering.	Each student has an individual faculty advisor who must be consulted at least each semester to discuss study plans and professional issues which may be appropriate. Records of advising activities are kept and are reviewed annually for compliance with departmental policies.	220
Annual Student Awards Opportunities (Publication)	Department of Sociology	Mehrangiz Najafizadeh Phone: 785-864-9415 e-mail: najafizadeh@ku.edu	Undergraduate Sociology Majors and Minors	Provide detailed information on Department, Univrsity, and national awards/scholarships opportunities for Sociology Majors and Minors	80 copies distributed
Art & Design Computer Labs	Department of Art and Design and School of Fine Arts	Patrick Emerson Phone: 864-4779 e-mail: dino@ku.edu	Art & Design Students and other KU students who have received permission to take art and design classes requiring the use of the computer labs.	To provide computers, software and assistance for completion of homework assignments.	950
Business Career Services Center	School of Business	Lisa Leroux-Smith Phone: 785-864-7598 e-mail: llerouxsmith@ku.edu	Business Students	Career advising, resume appraisals, recruiting, on-campus and mock interviews, and workshops.	472

Undergraduate Academic Support Programs of the University of Kansas

Name of Program	Sponsoring Unit	Contact Person	Group Served	Nature of Support	Approx. No. of Students Served
Career Counseling and Planning Service	Counseling and Psychological Services	Richard Nelson Phone: 864-2766 e-mail: rnelson@ku.edu	Undergraduate and Graduate Students	Career counseling, classroom presentations, Freshman Summer Institute, School of Engineering Four Year Career Maturity Projects and Summer Orientation	3,800 Students served in direct career counseling. 1,100 Students served in career counseling outreach activities.
Chemical Engineering Design Program	Chemical and Petroleum Engineering	Professor Bala Subramaniam Phone: 785-864-2903 e-mail: bsubramaniam@ku.edu	Undergraduate students in Chemical Engineering.	The design sequence in the senior year has led to the students' domination of national design competitions.	220
Chemistry/Physics Computer Resource Room	Departments of Chemistry and Physics	Ken Ratzlaff Phone: 864-3754 e-mail: kratzlaff@ku.edu	All students, but specifically chemistry/physics undergraduates	Computers and software made available to the students	2,000
CO OP Program	Chemical and Petroleum Engineering	Professor Bala Subramaniam Phone: 785-864-2903 e-mail: bsubramaniam@ku.edu	Undergraduate students in Chemical and Petroleum Engineering.	The department offers an industrial co-op program that allows a student to gain valuable industrial experience and additional financial resources while pursuing his/her degree.	220
Common Shop	Department of Art and Design and School of Fine Arts	Cotter Mitchell Phone: 864-5650	Art & Design Students and other KU students who have received permission to take art and design classes requiring use of the shop equipment.	To provide equipment, tools and assistance for completion of homework assignments.	470
Computing Resources	Chemical and Petroleum Engineering	Professor Bala Subramaniam Phone: 785-864-2903 e-mail: bsubramaniam@ku.edu	Undergraduate students in Chemical and Petroleum Engineering.	The department maintains state of the art computing facilities for both undergraduate and graduate students. The facility has space to work on team projects and is open 24 hours, 7 days a week.	220
Consulting Room-Math 105-106	Mathematics	Pam Ricley Phone: 864-7300 e-mail: pricley@math.ukans.edu	Students enrolled in Math 105-106	Individual tutoring.	1,200
Counseling and Psychological Services-Clinical Service	Counseling and Psychological Services	Frank DeSalvo Phone: 864-2277	KU Students	Personal Counseling/Therapy and presentations/workshops	Personal Counseling/Therapy-1,190 Workshops/presentations 3,513

Undergraduate Academic Support Programs of the University of Kansas

Name of Program	Sponsoring Unit	Contact Person	Group Served	Nature of Support	Approx. No. of Students Served
Dean's Scholars Program	College of Liberal Arts and Sciences	Maritza Machado-Williams Phone: 785-864-3325 e-mail: mmachado@ukans.edu	U.S. Ethnic Minority Students in the College who have interest in pursuing graduate education in liberal arts and sciences disciplines.	Mentoring, personal, academic and career counseling. Standardized test-taking workshops. A sequence of four seminars focused on graduate research proposals, graduate education trends, the graduate school application process and GRE preparation. The program also includes a service-learning component.	20
Diversity Programs	School of Engineering	Florence Boldridge Phone: 864-3620 fboldridge@ku.edu	Underrepresented Engineering Students (Ethnic Minorities and Women)	Provide Scholarships, leadership training, advising, and moral support.	87
Educational Opportunity Center	School of Education/University of Kansas	Kimberly Morgan Phone: 785-272-5828 e-mail: kmorgan1@ku.edu	Adults 19 years of age and older	Provide free career and academic counseling to adults 19 years of age and older who seek to enter or continue in an educational program beyond high school or the GED.	1,300
Educational Talent Search	School of Education (100% federally funded-US Dept of Ed.)	Rebecca Dukstein Phone: 913-342-9823 e-mail: dukstein@ku.edu	Youth and Adults in Wyandotte County (small group of middle school students in Douglas County). Primarily serves participants who are from low-income families where neither parent earned a four-year degree.	Provide educational and career services to encourage middle school and high school students to graduate from high school and pursue post-secondary education. Assist adults in earning a GED and/or re-entering/entering a postsecondary education institution.	1,109
Ermal Garinger Academic Resource Center	College of Liberal Arts and Sciences	Jonathan Perkins Phone: 864-4759 e-mail: jperkins@ku.edu	All students taking courses in the College of Liberal Arts and Sciences	Instructional Support for faculty and students to promote the learning and teaching of languages, cultures and humanities through the use of technology and other instructional media. There is a computer laboratory, audio laboratory, and equipment for use in classrooms. In addition there are nine multi-media classrooms and two mobile multi-media carts for use in Wescoe.	20,000 For Fall semester 2001 there have been approximately 9,000 individual check-outs of materials from the Center.
Financial Aid Presentations	Office of Student Financial Aid	Brenda Maigaard Phone: 864-5491 e-mail: bmaigaard@ku.edu	Current and Prospective Students and Families	Provide information and guidance on how to fund higher education	7,000

Undergraduate Academic Support Programs of the University of Kansas

Name of Program	Sponsoring Unit	Contact Person	Group Served	Nature of Support	Approx. No. of Students Served
Freshman Summer Institute	Freshman-Sophomore Advising Center	Tammara Durham Phone: 864-2895 e-mail: tdurham@ku.edu	KU Freshmen admitted for the Fall Semester	Offer a four-week, summer residential program that helps newly admitted freshmen make the academic transition to KU. Students earn 5 hrs. KU credit.	
Gordon-Devlin Fellowships	School of Business	Jessica Ludlum Phone: 785-864-2060 e-mail: jludlum@ku.edu	Pre-Business and Business Students.	Working/Mentoring with faculty members.	8
Hall Center for the Humanities	KUCR	Janet Crow Phone: 785-864-7823 e-mail: jcrow@ku.edu	All students.	Lecture Series	2,500
Haskell Mentor Program	Freshman-Sophomore Advising Center	Gloria Flores Phone: 864-2897 gflores@ku.edu	Students transferring to KU from Haskell Indian Nations University	Transition and support for students transferring from Haskell Indian Nations University. Links Haskell transfer students with KU Faculty, staff and student mentors, provides early enrollment and advising opportunities, on-campus support programs, and book grants and scholarships.	
HAWK Link	Office of Multicultural Affairs	Robert N. Page 785-864-4351 rpage@ku.edu	Focus is students of color, but open to any student wishing to join.	Offers tutoring, mentoring, advising, and other resources to help first year students of color with navigating the University.	114 students enrolled fall 02.
Help Room-Kansas Algebra Program	Mathematics	Ingrid Peterson Phone: 864-7319 e-mail: peterson@math.ukans.edu	Students enrolled in Math 002 and 101.	Individual tutoring.	3,500
Honors Program	Chemical and Petroleum Engineering	Professor Bala Subramaniam Phone: 785-864-2903 e-mail: bsubramaniam@ku.edu	Undergraduate students in Chemical and Petroleum Engineering.		
HSES Student Support Center	HSES Department	Wayne Osnes Phone: 864-5482 e-mail: wosnes@ku.edu	HSES students and others who might come	Computer laboratory/workroom for groups/peer counseling/technology consultant	20-30 per day
Initiative for Minority Student Development	Division of Molecular Biosciences	Marigold Linton Phone: 864-4904 e-mail: mlinton@ku.edu	Minority Students, but particularly American Indian students.	Special Classes in Biology 150; 3 1/2 GTA's devoted to tutoring students in targeted mathematics, biology and chemistry classes; opportunities to participate in science laboratories for a stipend. (NIH funded)	15-20 students (program has just begun)

Undergraduate Academic Support Programs of the University of Kansas

Name of Program	Sponsoring Unit	Contact Person	Group Served	Nature of Support	Approx. No. of Students Served
International Programs in Journalism	School of Journalism	Professor Thomas Volek Phone: 864-0604 e-mail: twvolek@ku.edu Professor Adrienne Rivers Phone: 864-0606 e-mail: rivers@ku.edu	Journalism students studying in Italy and Ghana.	The School offers journalism students courses in fall and spring semesters in Paderno Del Grappa, Italy and summers in Ghana.	44 in Italy 6 in Ghana
Journalism Career Center	School of Journalism	Patricia Noland Phone: 864-7630 e-mail: pnoland@ku.edu	Juniors and seniors in the School, some freshmen and sophomores, and some high school visitors.	One-on-one counseling, up-to-date electronic lists of jobs and internships available. On-campus recruiting, Journalism Career Fair, evening workshops on internships, interviewing and cover letter/resume writing.	223
Journalism Reading Room	School of Journalism	Mark Gottschall Phone: 864-7636/4755 e-mail: gotch@ku.edu	Students in Journalism Classes.	Provide research materials and class materials placed on reserve for student use by faculty members, daily newspapers, professional journals related to journalism fields. Assist students with internet access, scanning and printing. Check out classroom video equipment, refer students to appropriate personnel or other resources.	500 admitted students 500 Pre-journalism students in beginning classes, J101 and J301.
LASSI--Learning and Study Strategies Inventory	Student Development Center	Mary Ann Rasnak	Students in CLAS on monitored probation; any interested student by request or referral.	Standardized inventory of learning and study skills, attitude, motivation and anxiety; administered on computer; scores analyzed and discussed in private, individual consultation which may be ongoing throughout the semester.	100 students per year
Math Lab--Kansas Algebra Program	Mathematics	Ingrid Peterson Phone: 864-7319 e-mail: peterson@math.ukans.edu	Students enrolled in Math 002 and 101.	Supplementary Tutorial Software	3,500
Minority Business Scholars Program	School of Business	Renate Mai-Dalton Phone: 785-864-7566 e-mail: rmaidalton@ukans.edu	Under-represented minority Pre-Business Students.	Scholarship and mentoring program.	40
Mount Oread Scholars Program	Provost's Office and Freshman-Sophomore Advising Center	Lloyd Sponholtz Phone: 864-2885 lsponholz@ku.edu	High-ability first-year students at KU	Provide special opportunities, advising, and support to help academically qualified students succeed in their first year at KU. Students served typically have ACT composite scores of 28-30 and graduate in the top 20 percent of their high school classes.	332

Multicultural Affairs Project Outreach Program (MAPOP)	Office of Multicultural Affairs	Robert N. Page 785-864-4351 rpage@ku.edu	Junior High school students of color in the Lawrence area who exhibit academic potential and strong interest in college.	Provides mentoring and tutoring to these students.	28 Students enrolled.
Multicultural Journalism Scholarships	School of Journalism	Mary Wallace Phone: 864-4752 e-mail: mwallace@ku.edu	Students admitted to the School of Journalism who are of diverse heritage.	The Tanaka Miller Multicultural Scholarships and the Bernstein-Rein Multicultural Scholarship in Advertising were awarded for the first time in the 2001-2002 academic year. There were 5 student recipients of the Miller \$1,500 scholarship for 2001-2002. The Bernstein-Rein Scholarship in advertising provides \$3,500 each year for the jr. and sr. year for one student who also will have an internship in the summer at the Kansas City Agency. In addition, the School awards scholarships totaling \$180,000 to approximately 140 KU students and incoming freshmen each year.	146 total
Music and Dance Technology Center	Department of Music and Dance	Jay Batzner Phone: 864-4886 e-mail: jcbatz@ku.edu	Music and Dance students and other KU students who have received permission to take music and dance classes requiring use of the technology lab.	To provide computers, software and assistance for completion of homework assignments.	500
New Student Orientation	Academic Services	Kristin Trendel Phone: 864-4270 e-mail: orientation@ku.edu	All new freshman, transfer and readmitted students and their parents/quests	Provide Programs to help new students with their transition to KU and a new academic environment.	5,000+
Options Programs	Chemical and Petroleum Engineering	Professor Bala Subramaniam Phone: 785-864-2903 e-mail: bsubramaniam@ku.edu	Undergraduate students in Chemical and Petroleum Engineering.	To better serve student's needs, the department has established curriculum options in Biomedical, Environmental, and Pre-Med.	
Orientation for students newly admitted to Journalism	School of Journalism	Patricia Noland Phone: 864-7630 e-mail: pnoland@ku.edu	Students newly admitted to the School of Journalism attend a two-hour orientation early in their first semester of school.	A two-hour program conducted by faculty members and mandatory for students newly admitted to the School. Covers School culture, getting the degree and then the job, professionalism and expectations, opportunities, facilities, and "words of wisdom". Starts for the first time in January 2002.	160 newly admitted 01/02 and approx. 250-275 in Fall 02.

Undergraduate Academic Support Programs of the University of Kansas

Name of Program	Sponsoring Unit	Contact Person	Group Served	Nature of Support	Approx. No. of Students Served
Petroleum Engineering Capstone Design Course	Chemical and Petroleum Engineering	Professor Bala Subramaniam Phone: 785-864-2903 e-mail: bsubramaniam@ku.edu	Undergraduate students in Chemical and Petroleum Engineering.	The department has developed a combined senior design course taught in conjunction with the geology department to provide a unique and realistic design experience.	220
Photography Lab	Department of Art and Design and School of Fine Arts	Gordon Holland Phone: 864-4708	Art and Design students and other KU students who have received permission to take photography classes requiring use of the photography lab.	To provide lab equipment, darkrooms, and a photo shoot room. Assistance for completion of homework assignments, portfolios, job and graduate school resumes and applications.	300
PRE-101-Orientation Seminar	New Student Orientation and Freshman Sophomore Advising Center through the Department of Psychology and Research in Education	Kathryn Tuttle Phone: 864-4961 e-mail: ktuttle@ku.edu	All KU freshmen and transfer students	Provide, through a two-credit course, an introduction to the university community and the value and role of higher education in our society, strategies for successful transition to and participation in that community, exploration of diversity, and information about university resources and procedures.	650
Pre-Business Scholars Program	School of Business	Jessica Ludlum Phone: 785-864-2060 e-mail: jludlum@ku.edu	Pre-Business Students	Mentoring and Academic Support	46
Pre-Law Program	Freshman-Sophomore Advising Center	Wendy Rohleder Phone: 864-2896 e-mail: wrohled@ku.edu	KU pre-law students, freshmen through seniors	Provide advice, materials, and support to all pre-law students throughout the process of thinking about, preparing for, and ultimately applying to law school	475
Professional Societies	Chemical and Petroleum Engineering	Professor Bala Subramaniam Phone: 785-864-2903 e-mail: bsubramaniam@ku.edu	Undergraduate students in Chemical and Petroleum Engineering.	The American Institute of Chemical Engineers and The Society of Petroleum Engineers Student Chapters are supported financially and with time commitment by the faculty. Student involvement with the profession is considered very important and is highly encouraged. The department provides travel support for students to attend the national and regional professional society meetings.	
Program for Recruitment and Retention of Multi-Ethnic Educators	School of Education	Dr. Susan King Phone: 864-7039 e-mail: king@ukans.edu	In-state students who are interested in teaching.	Must be Kansas residents and must have a 3.0 overall high school gpa or a 2.75 community college g.p.a.	6
Research Experience for Undergraduates	National Science Foundation and the Chemistry Department	Prof. Cindy Larive Phone: 864-4269 clarive@ku.edu	Undergraduate students from all over the nation	The object is to learn about the excitement and methods of modern research efforts in the chemical sciences.	24

Undergraduate Academic Support Programs of the University of Kansas

Name of Program	Sponsoring Unit	Contact Person	Group Served	Nature of Support	Approx. No. of Students Served
School of Business Advising Center	School of Business	Lisa Leroux-Smith Phone: 785-864-7598 e-mail: llerouxsmith@ku.edu	Pre-Business and Business Students.	Academic and Career Advising	1,180
School of Business Computer Lab	School of Business	Greg Freix Phone: 785-864-7544 e-mail: gfreix@ku.edu	Pre-Business and Business Students.	Provides computer use and assistance.	24,850
School of Business Help Rooms	School of Business	Tim Shaftel Phone: 785-864-7534 e-mail: tshaftel@ku.edu	Students enrolled in Business 240,241 and 368.	Tutoring for pre-business courses.	1,600
Services for Students with Disabilities	Division of Student Affairs, Dean of Student Life	Lorna Zimmer Phone: 864-2620 e-mail: lzimmer@ku.edu	All enrolled and prospective students with disabilities or related concerns	Individual accomodations, direct services, information and advocacy toward providing access to University services, programs and facilities	650
Sociology Student Awards and Scholarships	Department of Sociology	Mehrangiz Najafizadeh Phone: 785-864-9415 e-mail: najafizadeh@ku.edu	Undergraduate Sociology Majors and Minors.	Provide monetary awards and scholarships to the most meritorious Sociology Majors and Minors	10 awards
Strategic Tutoring Program	The Center for Research on Learning in cooperation with the KU Athletics Corporation	Mike Hock, Don Deshler, or Jean Schumaker Phone: 785-864-0567 e-mail: mhock@ku.edu	Student-athletes from all intercollegiate sports at the University.	Provide intensive instruction in skills, study and learning strategies, and support for assignment completion.	175 students each semester. An additional 70 students are served during the summer session.
Student Advising	Department of Sociology	Mehrangiz Najafizadeh Phone: 785-864-9415 e-mail: najafizadeh@ku.edu	Undergraduate Sociology Majors and Minors.	Provide individualized academic advising for Sociology Majors and Minors and for prospective Majors and Minors	175
Student Advising	Freshman-Sophomore Advising Center	Kathryn Tuttle Phone: 864-4961 e-mail: ktuttle@ku.edu	All KU freshmen and sophomores.	Provide individual academic advising to freshmen and soph. to help make appropriate decisions about courses and majors, assist students in academic difficulty and help make transition to jr.-sr. advising.	9,000 Students Including orientation advising, the FSAC provided 22,082 student advising contacts in 2000-2001.
Student Retention	School of Journalism	Janice Davis Phone: 864-4768 e-mail: jdav@ku.edu	Students experiencing academic or adjustment problems.	Personal advising and counseling of individual students who are having difficulties adjusting to college or to academic demands of college. Also, advises two students organization--the Journalism Club and Amanzaa, for students of color.	Coordinator works w/20 students individually. Pre-Journalism Club has 75 to 100 members and Amanzaa 15 to 20.
Students Awards	Chemical and Petroleum Engineering	Professor Bala Subramaniam Phone: 785-864-2903 e-mail: bsubramaniam@ku.edu	Undergraduate students in Chemical and Petroleum Engineering.	Academic Achievement awards are offered at all levels. These take the form of outstanding student awards, service awards, and a generous scholarship program.
