Spring 2005
University of Kansas - Lawrence and Edwards Campuses**

**Highlights for Students in the College of Liberal Arts and Sciences
Division of Humanities**

Survey Information

The Graduate and Professional Student Survey (GPSS) was administered online to currently enrolled graduate students in Spring 2005. A link to the survey was emailed to 625 Lawrence and Edwards campus degree-seeking graduate students in the College of Liberal Arts and Sciences, Division of Humanities. We received 234 valid responses, for a response rate of 37.4%.

Not all respondents answered all of the questions. Percentages for each question are based on valid responses.

The survey was developed by the AAU Data Exchange to be administered by member institutions with the intent that the data would be available for comparative analyses.
