### Agenda

Criterion Five: Engagement and Service  
***Assignment***

***Review pages 15-17 of the handout from the last meeting dated April 2003 for additional context for the questions posed below.***

**Questions to consider for discussion on Engagement and Service at May 14 meeting. Please bring two responses to each question for our discussion.**

- In what ways do KU's activities impact/reach/serve the lives of individuals on and off campus?
- In what ways do KU's activities impact/reach/serve local, national, and global organizations? To what extent are these activities perceived as valuable and beneficial? Examples?
- What are the social and economic changes that affect the University and how has KU responded to these changes?

- What are examples of engagement that resulted from collaboration for mutual benefit?
- What examples are there that demonstrate student learning is connected with community needs?
- What evidence do we have that students and faculty value service learning and engagement opportunities?
- What examples are there of KU creating programs to respond to new constituencies/demands for educational services?
