Attached are the two volumes of the NCA report that were submitted in December to the NCA office and its team of consultant-evaluators. An electronic version can be found at <http://www.ku.edu/~oirp/NCA/ReportTOC.shtml>. It contains many links to websites for additional information on KU programs.

I hope you will have an opportunity to examine the hard copy as well as look at the electronic copy. We will meet on Wednesday, January 26 to brief you on the upcoming visit of the consultant-evaluators. At that time we can discuss any issues or questions that you have about the report and visit.

As you know, the team arrives January 30 and departs at noon on February 2, 2005. We appreciate your being available to meet with team members during that time period. As the schedule gets fully developed, we will be sharing it with you.
