Viewing Your Financial Aid Pages

There are two navigations to View Financial Aid (awards, cost of attendance, eligibility for need-based aid, etc).

1. You may reach the page from the Finances section of the Student Center.

2. You may also reach the page via left menu folder or top menu drop-down navigation to the Campus Finances Folder.
Accepting/Declining Awards

There are three navigations to Accept/Decline Awards.

1. You may reach the page from the Finances Section of the Student Center.

2. You may also reach the page via left menu folder or top menu drop-down navigation to the Campus Finances Folder.
3. You may also reach the Accept/Decline Awards page by clicking on the button where it appears on the View Financial Aid page.

**Key Points for Accept/Decline Awards:**

Awards are posted by aid year (i.e academic year). The 2011 aid year refers to the 2010-2011 aid year. For Lawrence/Edwards Campus students (KULC), the academic year for financial aid purposes is for fall/spring/summer terms in that order. For KUMC students, the order is summer/fall/spring.

Declined awards cannot be recovered online after submitting. You must contact the financial aid office about reinstatement.

If you accept a loan, you may still need to complete a promissory note and/or other paperwork with a lender. You may also be required to complete loan entrance counseling.

You must meet all qualification standards (minimum enrollment, satisfactory academic progress status, etc) for a particular aid program before you receive the aid that you accept.

If you are an undergraduate student and you accept/want a parent PLUS loan, you must submit an additional PLUS loan application to your financial aid office. You will receive more information during your award acceptance process.
Award accept/decline is a three-page process. Awards are not accepted/declined until you OK your submission on the submission review page following your submit of page two.

1. Accept/Decline your offered awards.
2. Complete page 2 answers and SUBMIT.
3. Click Yes to process your accept/decline award decisions and page 2 answers.

If you have any questions about any of the financial aid awards that you are offered, you should first drill down on the awards on the View Financial Aid page. You may then visit your financial aid office website to learn more about a particular aid program before you accept it.

Message

Federal Pell Grants are based on a minimum enrollment of 12 hours. If you are enrolled in or are planning to enroll in less than 12 hours, you must notify the Office of Student Financial Aid (OSFA) by updating your enrollment status in Enroll & Pay (Enroll & Pay > Student Center > Accept/Decline Awards > Award Package Page 2). The OSFA will review your enrollment status and adjust your Pell Grant accordingly. If we make an adjustment and you increase your enrollment on or after the first day of classes, your grant cannot be increased for those additional hours. Your Pell Grant will not be applied to your student account until you are enrolled in the number of hours you reported in Enroll & Pay.

More information is available at http://www.ku.edu/financialaid/programs/grants.shtml#pell. You may also visit the office in 10 Strong Hall or contact us by phone at 785-864-4700.
