

Viewing Your Financial Aid Pages

There are two navigations to View Financial Aid (awards, cost of attendance, eligibility for need-based aid, etc).

1. You may reach the page from the Finances section of the Student Center.

The screenshot shows the 'Student Center' page with the 'Finances' section expanded. The 'Financial Aid' sub-section is highlighted, and the 'View Financial Aid' link is circled in red. A message box states 'You have no outstanding charges at this time.' The 'Academics' section shows a 'This Week's Schedule' table with columns for Class and Schedule.

2. You may also reach the page via left menu folder or top menu drop-down navigation to the Campus Finances Folder.

The screenshot shows the 'Enroll & Pay' menu with the 'Campus Finances' folder expanded. The 'View Financial Aid' option is highlighted in yellow. The menu also includes options like 'Account Inquiry', 'Print or View a Bill', 'Enrollment Deposit', 'Accept/Decline Awards', 'Make Payment--Recharge KU Card', and 'Direct Deposit for Refunds'.

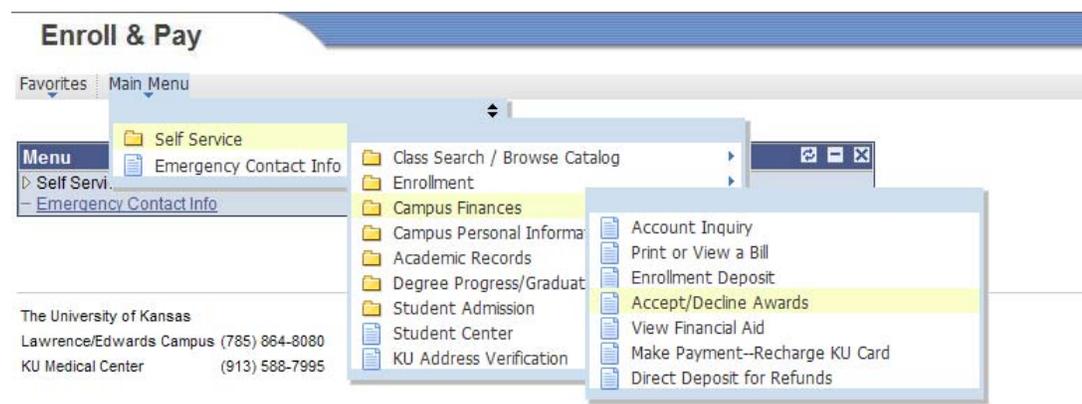

Accepting/Declining Awards

There are three navigations to Accept/Decline Awards.

1. You may reach the page from the Finances Section of the Student Center.

2. You may also reach the page via left menu folder or top menu drop-down navigation to the Campus Finances Folder.

3. You may also reach the Accept/Decline Awards page by clicking on the button where it appears on the View Financial Aid page.

The screenshot shows the 'Enroll & Pay' interface. At the top, there is a navigation bar with 'Enroll & Pay' and a breadcrumb trail: 'Favorites | Main Menu > Self Service > Campus Finances > View Financial Aid'. Below this is a search bar with 'go to ...'. The main content area is titled 'Financial Aid' and 'Award Summary' for the 'Federal Aid Year 2010-2011'. A message says 'Select the term hyperlinks below to see more detailed information.' Below this is a table for 'Aid Year' with columns 'Award Description', 'Category', 'Offered', and 'Accepted'. The table lists: Federal Pell Grant (Grant, 3,400.00, 3,400.00), Fed Direct Parent Loan (Loan, 8,462.00, 8,462.00), Fed Subsidized Direct Loan (Loan, 5,500.00, 5,500.00), and Fed Unsubsidized Direct Loan (Loan, 2,000.00, 2,000.00). The 'Aid Year Totals' row shows 19,362.00 offered and 19,362.00 accepted. Below the table, it says 'Currency used is US Dollar.' and a link for 'Financial Aid Summary'. A green button labeled 'ACCEPT/DECLINE AWARDS' is circled in red. Below that is a 'Terms' section for '2010 Fall' with a 'View More Term Detail' link and another table with columns 'Award Description', 'Category', 'Offered', and 'Accepted'.

Key Points for Accept/Decline Awards:

Awards are posted by aid year (i.e academic year). The 2011 aid year refers to the 2010-2011 aid year. For Lawrence/Edwards Campus students (KULC), the academic year for financial aid purposes is for fall/spring/summer terms in that order. For KUMC students, the order is summer/fall/spring.

Declined awards cannot be recovered online after submitting. You must contact the financial aid office about reinstatement.

If you accept a loan, you may still need to complete a promissory note and/or other paperwork with a lender. You may also be required to complete loan entrance counseling.

You must meet all qualification standards (minimum enrollment, satisfactory academic progress status, etc) for a particular aid program before you receive the aid that you accept.

If you are an undergraduate student and you accept/want a parent PLUS loan, you must submit an additional PLUS loan application to your financial aid office. You will receive more information during your award acceptance process.

Award accept/decline is a three-page process. Awards are not accepted/declined until you OK your submission on the submission review page following your submit of page two.

Expected Hours

Please enter your expected hours in the appropriate box.

Expected Fall Hours If you are not able to enroll in 12 credit hours as an undergraduate or 9 hours as a graduate student, you may still qualify for financial aid, but the Office of Student Financial Aid (OSFA) must receive notification of your enrollment status to determine your financial aid eligibility. Once you have updated your enrollment status, your financial aid may be adjusted. This adjustment could result in a cancellation or reduction of certain financial aid programs.

Message

Federal Pell Grants are based on a minimum enrollment of 12 hours. If you are enrolled in or are planning to enroll in less than 12 hours, you must notify the Office of Student Financial Aid (OSFA) by updating your enrollment status in [Enroll & Pay \(Enroll & Pay>Student Center>Accept/Decline Awards>Award Package Page 2\)](#). The OSFA will review your enrollment status and adjust your Pell Grant accordingly. If we make an adjustment and you increase your enrollment on or after the first day of classes, your grant cannot be increased for those additional hours. Your Pell Grant will not be applied to your student account until you are enrolled in the number of hours you reported in [Enroll & Pay](#).

More information is available at <http://www.financialaid.ku.edu/programs/grants.shtml#pell>. You may also visit the office in 50 Strong Hall or contact us by phone at 785-864-4700.
