2016 North Central Region Meeting
June 1-2, 2016
Laramie, WY

Wyoming LTAP welcomes North Central Region to Laramie, WY.
Wyoming LTAP at the University of Wyoming is hosting the 2016 annual North Central regional meeting June 1-2 in Laramie, WY. This meeting provides a great way to network with centers and to share highlights and challenges of the year as well as learn about new and ongoing efforts taking place at the national level.

Welcome to Laramie
Laramie is a town of 30,000 in the heart of the Rocky Mountain West, located on a high plain between the Laramie and Snowy Range mountain ranges. Wyoming is investing in its university, helping to make it a leader in academics, research and outreach. The University of Wyoming has state-of-the-art facilities in many areas and is a cultural center for the state. Laramie has more than 300 days of sunshine a year and has near year-round outdoor activities that include skiing, hiking, camping, bicycling, fishing and climbing. Additionally, located just 30 minutes from Laramie is the Medicine Bow National Forest. The community provides the advantages of a major university and a distinctive identity as an important city in a frontier state.
